

Dear Colleagues and Prospective Partner,

Invitation to Tender Delivery of Apprenticeships, Classroom and 19-24 work based training in the Third and Private Sector

Applications are invited from:

- a) Current Private and Third Sector providers or
- b) Private and Third Sector training providers who wish to expand their services to deliver apprenticeships and 19-24 workbase learning
- c) Commercial training providers offering subjects not covered by Third Sector training providers.

to become MI ComputSolutions delivery providers, delivering classroom, apprenticeships/workforce development to employees and the community of all ages.

As a Training Provider for the SME, MI ComputSolutions has a mission to increase the number of training opportunities and apprenticeships offered by the Private, Voluntary and Community sector, and we are keen to expand our current training provider coverage as follows:

- To deliver the 16-18, 19-24 and 25+ Apprenticeship
- To deliver 19-24 workforce development training
- To expand the geographical coverage in areas of Greater London and South East England not currently covered by existing MI ComputSolutions providers
- To expand the MI ComputSolutions qualification offer, particularly in areas such as: Youth Work, Accounting, Hairdressing, Construction and Electrical

The attached documents outline the requirements but do not constitute an offer of Contract at this time. The deadline for completed responses is **5pm on the 13th July 2012.**

I hope that you find all the information useful and if you have any queries please email.Val.O@micomputsolutions.co.uk

I look forward to receiving your response in due course.

Yours sincerely,

Bola Sobowale
MD/CEO

MI ComputSolutions
